Consent for Treatment

If I experience any pain or discomfort during this session, I will immediately inform the practitioner so that the pressure and/or strokes may be adjusted to my level of comfort. I further understand that massage/bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment of which I am aware. I understand that massage/bodywork practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session given should be construed as such. Because massage/bodywork should not be performed under certain medical conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my medical profile and understand that there shall be no liability on the practitioner's part should I fail to do so. I also understand that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session, and I will be liable for payment of the scheduled appointment. Understanding all of this, I give my consent to receive care.

Cancellation & Payment Policies

Your appointment time is scheduled especially for you. I understand that unplanned events happen sometimes and there is an occasional need to cancel or reschedule an appointment. Out of respect for your therapist and other clients, please read and sign the following policy.

- If cancellation is necessary, please give 24-hour notice or you will be charged a $30 fee regardless of the length of the appointment unless it can be filled.
    - Emergency cancellations are determined at the practitioner's discretion.
- If a client does not arrive within 15 minutes of the scheduled appointment time, the client is charged for the full appointment, even if the appointment must be shortened or rescheduled.
- If a client "forgets" or consciously chooses to forgo their appointment the client will be considered a "no-show" and they will be charged a $30 fee. Future service will be denied until payment is made.
- Full payment is expected at the time service is rendered.
    - If a client forgets to bring payment, s/he will need to pay for the session before scheduling another session. If a client fails to remember to bring payment for sessions three times in a row, they must either pre-pay for their sessions or they will not be allowed to receive treatments.
    - If a client bounces a check, full payment for the session including bounced check fees must be submitted in a different form and checks will no longer be accepted from the client. No further sessions will be accepted until payment is made.
